INCENTIVE FEE DETERMINATIONS, SUBCONTRACT KH002234, TASK ORDERS 58, 68, AND 78 - KR023-05

Dear Mr. Creamer:

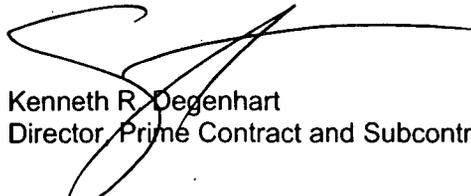

Kaiser-Hill Company, LLC (Kaiser-Hill) has received your letter dated October 28, 2005. We have carefully evaluated the points you have presented concerning Envirocare of Utah's contributions to the closure of Rocky Flats.

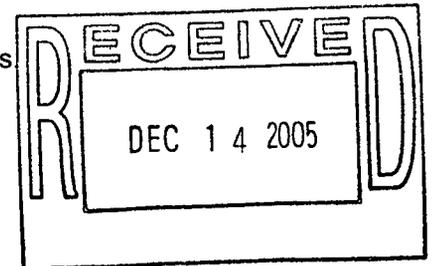

Kaiser-Hill has considered the information in your letter and we believe there is merit to what you presented. Therefore, we have increased the incentive fee determination by an additional \$300,229 on Task Orders 58 and 68. The resulting fee for the three task orders is \$2,393,643, or 80% of the available fee pool. The final determinations by task order are summarized below:

Task Order	Available Incentive Fee	Percentage Award	Incentive Fee Awarded
Task Order 58	\$ 281,107	85%	\$ 238,941
Task Order 68	\$ 897,075	85%	\$ 762,514
Task Order 78 (subjective portion)	\$ 607,500	100%	\$ 607,500
Task Order 78 (objective portion)	\$1,215,000	65%	\$ 784,688
Total	\$3,000,682	80%	\$2,393,643

Kaiser-Hill appreciates the assistance of Envirocare of Utah over the last several years with the Rocky Flats Closure Project. Envirocare was responsive in addressing many of our problems and helped us find cost-effective and timely solutions to challenging waste problems. Thank you for your efforts and support.
