Dear Ms. Dayton:

The enclosed letter was sent to Jessie Roberson on March 11 asking DOE to provide \$10,000 to Iggy Litaor so he could return to Colorado this summer to complete work on papers presenting the results of the final work he did at Rocky Flats. Though to date a written reply to this request has not been received, Jeremy Karpatkin called me on Friday to say that a letter was in the works. The letter, he believed, would say "no" to DOE funding this request and would suggest that the appeal be addressed to Kaiser-Hill. Hence, I now write asking whether Kaiser-Hill can provide the requested funds. I would very much appreciate having an answer within two weeks of today, that is, by Monday, April 20, 1998. If you have questions, please call me at (303)444-6981.

Thank you,

LeRoy Moore
